VISION STATEMENT

Villa Montessori seeks to be . . .

A model Montessori learning community, fostering the unlimited potential that lies within each of us.
We . . .

- * celebrate and enhance the unique greatness within each member of our community,
- * attend equally to the education of the heart as well as the mind,
- * promote social justice, peace and a sustainable environment.

MISSION STATEMENT

Villa Montessori School is committed to the development of the whole child by employing an integrated, multiple intelligence approach to learning and living.

We implement a curriculum based on the Montessori philosophy of education and human development,

- * improving the academic performance and attitudes of students in key subject areas,
- * motivating children to become confident, competent, creative, lifelong learners,
- * encouraging them to live their lives as joyful contributors to society, compassionate global citizens and committed caretakers of the earth.

Villa Montessori provides equal employment opportunities and equal participation opportunities to all of its employees and/or students without regard to ethnicity, national origin, creed, gender, physical disability, age, proficiency in the English language, or athletic ability who submit a timely application based on space or position availability.

Villa Montessori's Infant, Toddler, Pre-Primary (3 and 4 year olds), Before & After School Care (Circle) and Summer Camp programs are private and fees are charged.

Villa Montessori's grades K-8 comprise our Charter School. A Charter School is fundamentally a form of public school. It is a component of the national public school reform. Villa Montessori received its Charter in 1995 through the State Board for Charter Schools and reports directly to this board.

ENROLLMENT

Enrollment Process

Villa Montessori School accepts children in the following order:

1. Current Students
2. Siblings of students currently enrolled
3. New Enrollees

Private school applications will be received on a first come, first served basis. However, acceptance is determined by a number of factors including, but not limited to, sex of child, birthdate/age ratios, class availability, withdrawals, etc. This is especially true for our Infant and Toddler programs due to the timing of available openings at the next program level.

Students new to the Charter participate in an Open Enrollment process. Please see website for enrollment dates. An equitable selection process will be administered should the number of timely applications received during the Open Enrollment period exceed our capacity. Applications received after the Open Enrollment period may be added to a waiting list.

Classroom Placement

The final decision for classroom placement is made in the best interest of the child by a placement committee made up of teachers and administrators. Changes in classroom assignments will only be made if the well-being of the child is being seriously affected and there is an opening available in another classroom.

Age Requirements

- Children entering the **Infant program** must be at least **3 months old**.
- Children entering the **Toddler I program** must be at least **twelve months old and walking steadily**.
- Children entering the **Toddler II program** must be at least **2 years old**.
- Children entering the **Pre-Primary program** must be at least **three years old by the first day of school** if new to the school, and **MUST be toilet trained** and able to use the bathroom independently. Children transferring from the Toddler II program must be **three years old and toilet trained** at the time of transfer.
- Children entering **Kindergarten** must be **five years old by September 1**.

The Infant and Toddler Programs are considered year-round, including the summer months. There are processes in place for phasing these particular children in. Parents should be familiar with these processes as described in handbook addendums contained in the application packet.

Withdrawal Procedures

Once a family has decided to withdraw their child from Villa Montessori School, they must notify the office immediately. A \$100 withdrawal fee may be assessed. Charter-only students are exempt from this fee. Once a student has withdrawn, he/she may not continue participation in school sponsored extracurricular or enrichment activities, such as sports teams, cub scouts, girl scouts, etc.

1. Past due notices will be sent to those parents whose payments have not been received by the 5th of the month.
2. If a payment has not been received by the 5th of the month, a late charge of \$25.00 will be assessed.

6. If you have any billing questions, please call the Business Office, (602) 381-9967.
If it becomes necessary to turn this contract over to an attorney to enforce any of the terms hereof, the School shall be entitled to recover collection costs, expenses and reasonable attorney fees.

Scholarships

1. Villa Montessori has a limited amount of scholarship money available to help those families in need and would cover only a portion of the fees.
2. Scholarships are limited to families that have shown a commitment to the school by enrolling at least one child in the charter program.
3. Applications are available in the main office and should be submitted by May 1st for the fall, to increase chances of receiving a portion of the limited scholarship funds.
4. A current tax return must be submitted with the application or it will be declined and returned.
4. Scholarships are reviewed as they are received.
5. Parents will be notified in writing as to whether or not their application has been approved.
6. Scholarships are not given to cover the following costs: summer programs and/or enrichment classes.

Refunds

No refunds are given for vacations or absences, however, if a student enrolls after the start of the school year or is withdrawn or expelled prior to the end of the school year, Villa Montessori will prorate the ECA fees based on the number of weeks the student was enrolled at Villa Montessori. You must contact the Business Office to request a refund of ECA fees.

PLEASE NOTE: Any refund of an ECA fee must be requested within the same tax year (January 1st-December 31st) that the ECA fee was paid. No refunds will be made for prior tax years.

ATTENDANCE

Absences

In case of an absence these procedures should be followed:

1. Please call **602-458-1356** to report your child's absence **as soon as possible**. Please provide details.
2. **Frequent patterns of absences may result in a meeting with the teacher and/or Head of School. Penalties for excessive absenteeism (18 or more days per school year) may include non-promotion to the next grade.**
3. When a child needs to leave school early, please send a note to the teacher and sign the child out.
4. Vacation should be planned for regularly scheduled breaks. The school does not condone taking elementary and middle school students out of school during the regular school schedule.
5. Ten consecutive days of unexcused absences will be cause for automatic withdrawal.
6. Some program levels require students to be accountable for missed work.

Tardiness

1. The school day starts at 8:30 a.m. A student is considered late if he/she is not signed in at the start of the school day.
2. For charter students, all tardies or early pick ups must be recorded.
3. Parents are asked to send a note explaining any arrival after the start of the school day.
4. Frequent tardiness may result in a meeting with the teacher and/or Head of School. Due to the nature of the Montessori method, tardies are very disruptive to a student's school performance and are handled very seriously by administration.

Drop-off and Pick-Up

Each campus has a different procedure for dropping off and picking up children. Please see the "Drop Off-Pick Up Procedures" packet. We ask that everyone be patient and courteous at these times. The following are some general rules:

1. Please observe safe driving practices and look out for parents and children in the parking lots.
2. Please **DO NOT** park or pull in to any designated staff parking lots.
3. Please **DO NOT** park on any public streets while dropping off or picking up children on the Main, Meadowbrook or Davis Campuses.

Sign in/out

Children in the Infant, Toddler, Pre-Primary and Elementary Circle programs must be signed in and out each day by parents, designated individual or staff member each day. If someone other than the parent will be signing a child in and/or out, the school must have written permission on file. When signing in or out, the individual must use the first initial of their first name and full last name. Please make sure the signature is legible.

Dismissal

1. Identification is required from any adult who is not known to school personnel and who comes to pick up a child. We reserve the right not to release the child to anyone other than the custodial parent, or an authorized person **as stated on the child's blue emergency card**. If someone else is going to pick up a child, the parent must send a note and/or call the office. In cases of doubt, we will phone the custodial parent to confirm that someone else has been authorized to pick up the child. A photo ID is required.
2. Children must be picked up promptly at 11:30 a.m. on early dismissal days, and at the end of the school day on regular days. The families of any students that remain will be charged late pick up fees unless a Family Transportation Allowance form has been submitted and approved by the Business Office.
3. We ask that parents call the office if they are going to be late for any reason.

Family Transportation Allowances (For multiple Academic Day students)

Our goal is to have every child in school on time. However, we understand that some families may have more than one child at our school and on different campuses. As a courtesy, we allow extra time for drop off and pick up to qualified families. In order to qualify, families must have **more than one** Villa Montessori Campus stop to make and an approved Family Transportation Allowance form. Meadowbrook East/West and Main are considered one campus due to their close proximity. Drop off for Elementary students may be before 8:30 am and pick up may be extended. Toddler & Pre-Primary Student drop off also begins before 8:30 am and may be extended. Exact times for Transportation Allowances will be included in the Back-to-School packet mailed out in the summer. Any drop off or pick up outside the approved times will result in additional charges to your bill. The Family Transportation Allowances form will be sent home in July prior to the start of the new school year. They must be filled out and returned for authorization by the listed due date. Please mail or drop off at 4535 N. 28th Street, Phoenix, AZ 85016 or fax to 602-957-4017. You will receive a letter confirming the approval or decline of your family transportation allowance request within a week. If you have any questions, please contact the Office at 602-955-2210.

Late Pick-Up

Pre-Primary and Elementary children who are not picked up after the normal Academic Day release time and who do not have a family allowance will be charged \$5.00 per half hour after 2:45 p.m. and 3:15 p.m. respectively.

STUDENT HEALTH

In case of injury or illness during school hours, the student may be brought to the school office. Parents will be notified by phone to pick up a sick or injured child. If a parent cannot be reached, the office will call the alternate pick-up names on the emergency card. **Parents are responsible for keeping all emergency information current by going to the Main Office to make any changes in addresses, telephone numbers or emergency contact information, etc.**

Medical Emergencies

In the event that a student needs emergency medical attention, one staff member will accompany the student to the nearest hospital while another staff member calls the parent(s). Depending upon the nature of the emergency situation, the student will either be transported by ambulance or in the staff member’s car. The staff member accompanying the student will not leave that student until one of the parents (or someone else designated by the parents) arrives at the hospital. Staff members with current CPR/First Aid training are always present on campus and will administer aid whenever necessary.

Medication

1. Villa does administer medications;
2. A designated staff member is responsible for the administration of all medications including storing, supervising ingestion and recording.
3. The administration of medication is not permitted unless the facility receives written authorization from the child’s parent or health care provider that states:
 - a. First and last name of enrolled child,
 - b. Name of medication,
 - c. Prescription number, if any,
 - d. Instruction of administration specifying dosage and route of administration, starting and ending dates of the dosage period, and times and frequency of administration,
 - e. Reason for the medication,
 - f. Date of authorization
4. Prescription medication will only be administered from a container dispensed by a pharmacy and non-prescription medication will only be administered from a prepackaged container labeled for use by the manufacturer and labeled with the enrolled child’s name and no medication will be administered that has been transferred from one container to another.
5. Medication is to be brought directly to the campus office by an adult. **It is NOT acceptable to send it in a child’s back pack, lunchbox, etc... No medication will be administered without a signed medication form.** This form can only be found in the office at each campus.
6. No medication is administered during Circle program hours.

Asthma Policy

Students who suffer from severe asthma have the right to keep a handheld inhaler device with them before and after school and during the school day. There is a specific protocol in place to make the determination as to whether a particular student demonstrates the skill and level of responsibility to be able to carry medication and to self-administer medication for symptom self-management. An Individual Asthma Action Plan is developed for each asthma student with input from the health care provider, parent, teacher, and student. Related forms can be obtained in the school office on the Main Campus. It is the parent's responsibility to initiate this process. Students are not allowed to carry medication until the forms have been completed and approval given. The new law regarding students carrying asthma medication requires parents to provide **annual written documentation** authorizing the student to possess and self-administer a handheld inhaler.

Immunizations

The state immunization law requires all students to have an immunization record on file for school attendance. If your child is exempt from immunizations, he/she must have a signed exemption on file. These forms can be found in the school office. In the event of an outbreak of a vaccine preventable disease for which you can not provide proof of immunity of your child, your child will not be allowed to attend school until the risk period ends. All needed immunization records must be on file prior to the child attending school. **If your child does not have current immunizations or a signed exemption on file, he/she will not be allowed to attend classes until the situation has been remedied.** Please bring any updated immunization records to the school office.

Emergency Card

A child will not be admitted unless a blue emergency card is on file. Parents are asked to call or go to the main office to make any changes to the blue card. **Please keep in mind that if your child were to have an accident and the information on your blue card were incorrect, we would have no way of contacting you.**

Allergies

Make sure that you note any and all allergies on your child's emergency card and on an Allergy List form. Also make sure that your child's teacher is aware of all allergies.

Sick Children

Our school is staffed to work with groups of children while giving attention to all. However, ill children require one-to-one care that would be impossible in this setting. If your child shows symptoms of illness, please observe them at home or contact your physician. Ill children want and need comfort and rest to recover and are not able to participate in the activities of the school. If it is determined that your child cannot participate in the normal routine, he/she will be isolated and made as comfortable as possible until you or another adult listed on your emergency form arrives. We request that the child be dismissed from the school **within one hour of notification.**

For the benefit of the children, teachers and families of our school, policies have been established for contagious illnesses and include:

1. Fever of more than 100 taken by auxiliary method (armpit) for duration of eight minutes
2. Diarrhea (more than one loose stool within a 24 hour period)
3. Vomiting
4. Severe coughing, causing the child to become red or blue in the face or to make a whooping sound
5. Difficult or rapid breathing
6. Yellowish skin or eye
7. Conjunctivitis
8. Untreated infected skin patches
9. Any open or oozing sores, bloody gums and/or bloody diarrhea
10. Unusually dark urine and/or gray or white stool
11. Stiff neck
12. Unusual spots or rashes
13. Sore throat or difficulty in swallowing
14. Evidence of lice, scabies, or other parasitic infestation
15. Discolored mucous (yellow or green) from nose (this is a sign of infection and we would like the child to be treated for symptoms before returning to school)

If a child shows any of these symptoms we cannot accept them at school. The teachers will check the children as they enter. Parents are requested not to send a child to school if they suspect that their child is not feeling well or would be unable to participate in normal activities. Parents shall keep the child at home until they are sure their child is well and free from fever, diarrhea, or other symptoms for 24 hours without the aid of a fever reducing medication. **Please notify the school immediately if your child is diagnosed with a contagious disease.**

GRIEVANCE PROCEDURES

The proper line of communication between parents, students, faculty and administration is as follows: The parent/student should discuss the matter directly with the teacher and/or staff member involved. If this first step does not solve the problem, the parent/student should discuss the matter with the Head of School or Assistant Head of School. If the problem remains unresolved, a parent has the right to submit the grievance in writing to the Villa Board.

If parent/student is uncomfortable, due to the nature of the concern, to discuss grievance with the teacher/staff member directly, the parent/student may contact the Head of School or Assistant Head of School, each of whom has the authority, within his/her sole discretion, to report directly to the Villa Board.

CHILD ABUSE REPORTING

Per state law, school employees must report suspected cases of abuse, neglect, non-accidental injury, or sexual offenses against children to Child Protective Services (CPS) and/or local law enforcement agencies as well as to the Head or Assistant Head of School. Where parents are the alleged abusers, school personnel are not to notify parents; Child Protective Services and law enforcement agencies are responsible for notification. Should the alleged perpetrator be other than a member of the child's family, normal and reasonable notification procedures shall be followed by school personnel.

Any child who is a suspected abuse victim shall be made available to either CPS or the Police Department for questioning. The investigating agency will determine whether school personnel should be with the child during questioning. The CPS worker and/or the police may interview the child and all other children residing in the home on school grounds outside of the presence of school personnel. They may conduct interviews of the child without permission or notice to the parents where the suspected perpetrator is a family member. CPS has the authority to obtain school records upon written request. Individuals required to report suspected abuse are protected by state law from civil and criminal liability.

COMMUNICATION

All notices and reminders will be e-mailed home to each parent. Hard copies should be requested of the classroom teacher or Main office. It is **VERY** important that both parents read all communications, including the monthly "**Villa Voice**", which contains important information on upcoming events.

If you need to contact an employee of the school by phone, please leave a message for them in the office to call you. For privacy reasons, phone numbers are not given out.

We ask that parents support the school's policy that staff not communicate with students/parents via social-networking websites.

DHS

Villa's Infant, Toddler, Pre-Primary, Before & After-School (Circle) Programs and Summer programs are regulated and monitored by the Arizona Department of Health Services which is located at 150 N. 18th Avenue, 4th Floor, Phoenix, AZ 85007. The telephone number is (602) 364-2539. All DHS inspection reports can be viewed in the main office at 4535 N. 28th St; Phoenix, AZ 85016.

DRESS AND APPEARANCE

Toddler & Pre-Primary

1. Young children should come to school in clothing that is easy to slip on and off. We do not recommend belts, suspenders or overalls. For more peaceful play, we ask that you do not send your child to school in clothing that encourages aggressive behavior.
2. Children are required to have a change of clothes in their cubbies at all times. Please label and follow the procedure outlined by your child's teacher. It is your responsibility to make sure that clothes are replaced as needed. If a child has a bathroom accident or gets wet outside and has no extra clothing, the parent may be called to come pick up the child or to bring some clothes.

Elementary and Middle Students

Students should refer to the dress code listed on page 14. A student's appearance may not interfere with the educational process, nor pose a health or safety hazard. If deemed necessary by school personnel, parents may be notified and the student may be sent home. For repeated infractions, a uniform may be required.

FIELD TRIPS

1. Our Elementary and Middle School classrooms are expanded by the participation in purposeful and informative field trips taken throughout the year.
2. Our preferred mode of transportation for field trips is school buses.
3. Parents are sometimes asked to drive whenever the buses are not available. If a parent drives on a field trip, insurance coverage will be through the driver's primary insurance.
4. Please watch for field trip permission slips. Children who do not return a signed field trip permission slip will not be permitted to attend the field trip.
5. Since field trips are paid for through the ECA fee (see pg. 23), only children whose parents have paid (or who have a current payment plan in place) may attend.
6. Parent chaperones acting in a supervisory capacity must adhere to the school's current fingerprint/background check procedures.

INSURANCE

Villa Montessori carries an insurance policy that complies with the requirements of the State of Arizona.

LUNCH AND SNACKS

1. Parents are to provide lunches. If a child comes to school without a lunch, parents will be contacted to bring one.
2. Because we do not have the facilities to microwave, or refrigerate lunches, we require that children have insulated lunchboxes and that each lunchbox has an ice pack.
3. Candy, gum, and soda are not allowed. If a child comes to school with any of these items in his/her lunchbox, it will be sent home unopened. If you need suggestions for healthy lunches, please ask your child's teacher or come to the school office.
4. We try to teach the children to reduce, reuse and recycle whenever possible. Please try to pack your child's lunch in reusable containers.
5. Parents take turns providing snack for their child's class in the Toddler and Pre-Primary programs. Monthly snack calendars are posted in each classroom as well as in the Main Office.
6. Parents of Elementary and Middle School students should include an appropriate mid-morning snack in their child's lunch box. See your child's teacher for appropriate snack options.
7. Children in the After-school or Circle program are to bring enough food to provide for their after school snack.
8. Due to concerns about allergies, food may not be shared among children.

BIRTHDAYS

1. If you wish to bring a special treat for your child's birthday, we ask that you first discuss this with the teacher. Please provide a snack such as muffins, 100% fruit juice bars, fruit trays, finger sandwiches or cheese trays rather than cakes, cookies or cupcakes. Please try to keep treats as nutritious as possible.
2. Party invitations are not to be distributed at school unless the whole class is invited.

NAPS

According to DHS, all children who are three years old or younger are required to bring a nap bag to school. The nap bag must contain a fitted crib sheet and blanket. A small pillow and stuffed animal are optional. Please label the nap bag and each item with your child's first and last name. All nap bags are to go home at the end of the week to be washed and returned.

PARENT/TEACHER CONFERENCES

Parent / Teacher conferences are held twice a year. Please do not hesitate to contact your child's teacher if you have a concern or question at any other time.

CHILD FIND NOTICE

It is Villa Montessori Charter School's responsibility to inform the general public and all parents within our boundaries of our responsibility to make available information regarding special education services for students with disabilities ages 3 through 21 years and how to access those services. We also have a responsibility to provide information regarding early intervention services available through the state for children birth through 2 years.

We are also responsible for providing a free and appropriate public education (FAPE), which includes special education and related services to children with disabilities in K –8th grade programs at public expense without charge to the parents. All new students to Villa Montessori Charter School will be screened within 45 days of enrollment. The teacher will complete the screening after reviewing the child's abilities in the areas of academics, vision, hearing, communication, social/emotional, and motor skills. If any concerns are noted, the child may be referred for additional help. Children birth through 2 years who are receiving early intervention services through the state and will be participating in preschool programs for children with disabilities, will be assured of a smooth transition into those programs. If you have any concerns or questions about a child you know, please contact Villa Montessori Charter School's Special Education Department at (602) 955-2210 or the public school in whose boundaries you reside.

SPECIAL NEEDS

Children not yet in the Charter are the responsibility of the school district in which they reside and are identified through the Child Find process. Children in the Charter school are the responsibility of the Charter. If a teacher is concerned about a child's progress, he/she will discuss their concerns with the child's parents. If a parent has a concern, he/she should discuss it with the teacher first. If deemed necessary, a team will convene, composed of the child's lead teacher, a school representative and a special education or developmental specialist and the parents. The team will determine the next course of action. If evaluations/observations are recommended, the parents' permission is required. When results are available, an official meeting notice will be sent to the parents and a meeting scheduled to discuss the results with the team. The education specialist who administered the test(s), along with the child's teacher, the special education or developmental specialist, a school representative and the parents will then meet. If it is determined by the team that the child qualifies for Special Education services under the definition and guidelines of the State of Arizona, an Individualized Education Plan (IEP) will be written for the student, setting out specific goals, activities and timelines. Progress toward the IEP goals will be reported twice a year at parent conferences. The IEP will be reviewed annually or at the request of an IEP team member. Parents will again be notified and invited to participate in the review. Villa Montessori has published policies and procedures for Special Education. Copies may be obtained from the Main office. Villa also identifies and evaluates students who are considered gifted. Complete information on Villa's gifted education can be obtained from the Main office.

STUDENT ASSESSMENTS

All Arizona public schools, including charters, are required to properly administer state mandated assessments. Therefore, all Villa students in grades 2 through 8 participate in state testing. In addition, Villa administers the Cognitive Abilities Test each year to all third graders as well as students in grades 4 through 8 that are new to the school.

PARENT PARTICIPATION

A minimum of ten hours of volunteer service per family is requested each year. Opportunities for service will be listed throughout the year. Parents are responsible for recording hours served on their family record sheet located either in the classroom or in the main office.

As part of our efforts to keep our students safe, parents must complete a Parent Volunteer packet prior to participating as a volunteer or chaperone in a school activity or event. Background checks and fingerprint clearance cards may also be required. Please contact the main office if you are interested in volunteering.

Villa Montessori School expects volunteers and chaperones to adhere to acceptable standards of conduct that protect the interests and safety of all students, employees, and the school. It is not possible to list all the forms of behavior that are considered misconduct. The following is a partial list of infractions that may result in disciplinary and/or legal action.

ELECTRONIC DEVICES/CELL PHONES

Electronic devices, including cell phones, are not to be used during school hours. If necessary, they will be held by school personnel until the end of the school day. In the case of repeated unauthorized use, parents may be contacted.

STUDENT BEHAVIOR AND DISCIPLINE

Dress Code

Elementary & Middle School

A student's appearance may not interfere with the educational process, nor pose a health or safety hazard. If necessary, the parents will be notified and the student may be sent home. The school reserves the right to prohibit clothing or accessories as follows:

- ❑ Obscene statements and pictures
- ❑ Statements advocating immoral or illegal behavior (e.g. advertisements for alcohol, tobacco, or illegal drugs)

- ❑ Clothing which is revealing, such as tube tops, tops with spaghetti straps, short shorts, off the shoulder shirts, short or slit skirts, clothing that exposes the midriff, "skin tight" clothing and visible undergarments, clothes with holes that are revealing, etc.
- ❑ Jewelry that presents a safety hazard or creates a distraction that impacts the learning environment for the student or others
- ❑ Clothing that is excessively baggy and/or exposes one's underwear
- ❑ Body piercing (other than earrings)

General Conduct (at school, on the bus, and at all school functions)

At all times students are expected and encouraged to be safe, responsible, and respectful towards all visitors and members of the school community. The school's discipline policy is at all times intended to cultivate a positive atmosphere in which quality education and productive learning can take place.

Good behavior makes our school a safe and pleasant place for everyone, as well as an environment conducive to learning. Whether in class, on a playground, at lunch, or on the way to and from school, ALL students are expected to:

- Be courteous and respectful to others
- Conduct themselves in a reasonable and cooperative manner
- Recognize the authority of the teacher, administrators and other school staff members (i.e. bus drivers, maintenance staff, specials' teachers, teacher assistants, etc.)
- Use proper language
- Exhibit self-control in settling differences of opinion
- Be punctual
- Have good attendance
- Complete schoolwork on time and to the best of their ability
- Follow all school rules
- Not act in an aggressive manner
- Use playground equipment appropriately.
- Not throw any objects that can injure another
- Walk when on sidewalks and in the buildings
- Leave electronic toys and equipment at home
- Be honest
- Not have, use or be under the influence of drugs, alcohol, or tobacco products
- Respect other people's personal space and property

Any behavior that endangers the health or safety of others is prohibited. The Virtues Curriculum is utilized to encourage and support student understanding of responsible behavior, good choices, and the identification of characteristics that support positive behaviors. Students are expected to distinguish between good choices and poor choices and reflect and accept the consequences of their actions.

Our vision is to create a school-wide culture of respect and compassion. Research shows that the best way to go about this is for everyone to get involved. Student, staff and parents all play a very crucial role. Our discipline program clearly defines behavioral expectations and what the consequences will be if the student chooses not to comply with them. This is detailed in the behavior rubrics that follow. If your child receives a behavioral report, a school administrator will assist them in calling you to tell you what they did and what the consequence will be. That day or the next they will spend a lunch recess period in a "Reflection Room" filling out a form that helps them reflect on what they did and determine better ways to solve the problem or meet their needs in the future. We ask that you support the school's stance when dealing with your child. This does not mean that you need to give them another consequence at home necessarily, but to handle it with an attitude of respectful support for our program.

Behavior Plans

Where appropriate and deemed necessary, a Behavior Plan may be developed to outline behavioral expectations and steps for improvement.

Investigations and Searches

The school has legal custody of students during the school day and during approved extracurricular activities. It is the administrator's responsibility to act on behalf of the parent/guardian during lawful investigations of a student, if the parent is not available or cannot be contacted.

Students do not have an expectation of privacy in any area that belongs to Villa, including, but not limited to student desks, lockers, or cubbies. At the sole discretion of the administration of Villa, such areas are subject to search and/or mandatory clean-out at any time. In areas where students do maintain an expectation of privacy, Villa is permitted to and will conduct a legitimate and legal search upon reasonable suspicion that the student has committed a violation of school rules or the law. Villa is not required to contact the students' parent or legal guardian prior to conducting a lawful search. Villa reserves the right to seize any prohibited items or evidence of a violation.

Should a police officer come to the school to interview a student, Villa Montessori will follow this policy and procedure:

1. A parent will be called before the interview begins unless the police officer specifically requests that the parent not be called because of the nature of the investigation. This is the prerogative of the police officer.
2. Parents are given the opportunity to come to the school provided they can arrive within a reasonable time period, a half-hour to forty-five minutes.
3. If the parents cannot be reached or cannot arrive within a reasonable time frame, a phone call or written communication will be initiated by the school as a follow-up procedure. Further communications will then be directly between the police department and the parents.

Policies Relating to Serious Violations

Offenses that violate state laws, such as weapons, bomb violations, alcohol offenses, arson, drug offenses, vandalism, theft, threat to do harm, etc., may result in police involvement in addition to school disciplinary action. School discipline for such serious violations will be in accord with school policy as described in the Discipline Guidelines. The school reserves the right to require drug testing if deemed necessary.

Biting Policy

In order to provide a safe and healthy environment for your child, the school has a biting policy in force. An occasional biting incident, especially in the toddler programs, is a part of normal toddler development. However, if the child becomes a chronic biter, and if it is determined that the child would be better served in a smaller group setting, a parent may be asked to remove their child from school until the problem is under control.

School Property/Personal Property

Students are responsible for taking good care of school books, equipment, and facilities. If a student loses or damages these items beyond normal wear, the parent/guardian may be held liable for repair or replacement. If a student's misbehavior results in damage to school property, disciplinary action may be taken. Students are discouraged from bringing personal property to school. The school is not responsible for damage to, loss or theft of, any personal items brought to school.

Suspension/Expulsion

If a student is recommended by a teacher or other school official for an out-of-school suspension or expulsion, the student will be referred to the Head of School or Assistant Head of School. If the Head of School (or Assistant Head of School) determines that a suspension of 10 days or less shall be imposed, such decision is final and notice of the decision and reentry procedures will be provided to the parents/guardians of the student.

Upon determination that a suspension of more than 10 days will be imposed, the student shall be permitted an opportunity to appeal, in writing, the decision of the Head or School (or Assistant Head of School) to the Villa Board. A notice will be provided to the parents or guardians of the student explaining the decision and the procedures for appeal.

If the Head of School (or Assistant Head of School) believe that a student's conduct is grounds for expulsion, the Head of School (or Assistant Head of School) will make such a recommendation to the Villa Board. The Villa Board shall hold a hearing to determine whether an expulsion will be imposed. Prior to the hearing, the parents of the student will be notified of the accusations, the hearing procedures and the student's due process rights. The decision of the Villa Board is final.

Villa will maintain documentation of all out-of-school suspensions and expulsions as part of the student's educational records as well as in-school suspensions for aggressive behavior if there were three in a given school year.

Hazardous Materials

Any substance or item that is potentially hazardous, harmful, or disruptive is prohibited. If a student has such materials on campus, the school will confiscate the materials, notify the parents, and arrange for disciplinary action.

Bus Rules

Villa Montessori School can provide inter-campus transportation for any student currently enrolled in the Elementary and Middle School programs. While students are riding the school bus, they are under the authority of the bus driver. Students who misbehave on the bus will be reported to the Head of School or designee and possible suspension or expulsion from riding the bus may occur. Reminder: Riding the bus is a privilege. Good Behavior is the only way to continue riding. Complete transportation rules are contained in the Transportation Information Packet.

If any of the following safety rules are not followed the behavior rubric is to be enforced:

First time- verbal warning

Second time- written warning, parent called

Third time- one week suspension from riding the bus, parent called

Fourth time- three weeks suspension from riding the bus, parent called and a parent/student/administrator conference must be held

Fifth time- Suspension for the remainder of the school year from riding the bus

Note: Depending on the severity of the behavior, certain behaviors may result in an immediate loss of bus privileges.

1. Avoid any behavior that creates an unsafe situation
2. Respect the driver and follow his/her instructions
3. Remain seated, keep head and arms inside the bus and hands to yourself
4. Keep door and aisle clear of obstacles. No pets, glass, or large items will be allowed on the bus
5. Throwing an item at anytime on or out of the bus is not allowed.
6. Respect school property (vandalism and other damage to school property is not allowed)
7. Be quiet when the dome lights are on
8. Do not eat, drink, or chew gum on the bus
9. Keep conversations quiet
10. Refrain from using profane or obscene language or gestures
11. Comply with all regulations in the Discipline Code of Conduct
12. Electronic devices of any kind are not allowed on the bus

REMINDER: RIDING THE VAN/BUS IS A PRIVILEGE, NOT A RIGHT. GOOD BEHAVIOR IS THE ONLY WAY TO CONTINUE TO HAVE THAT PRIVILEGE.
