## CLOSE YOUR EYES AND IMAGINE

Imagine your grandchildren skipping across their very own Grandparent Virtue Stone. As they look down, they read their name along with a virtue you have selected together.

Villa understands the importance of the grandparent's role in a child's life. We are offering you the opportunity to be involved in our Capital Campaign by purchasing a stone specially designed to honor the grandparent and grandchild relationship.

A limited number of Grandparent Virtue Stones are available for purchase. Details will be provided at the event, where you can view sample stones.

Grandparent Virtue Stone information also available at [villamontessori.com/campaign](http://villamontessori.com/campaign)
